Student Perspective

"CCM has been my home away from home since coming to college. I have had the great privilege of meeting so many amazing people here who I can confidently say will be lifelong friends. My favorite thing about CCM so far has been the many ways you can be involved whether it's singing at Emmaus nights or playing intramural volleyball. The best part of all is getting to do it alongside people who have your best interest at heart. Everyone here is so invested in each other and wants what is best for everyone. I could not be more thankful for everyone I have met here and those I will continue to meet as time goes on. I honestly don't know what I would do without CCM and the family it has provided me."

– Emma Brown

St. Ignatius Prayer

Dear Lord teach me to be generous; teach me to serve you as you deserve, to give and not to count the cost, to fight and not to heed the wounds, to toil and not to seek for rest, to labor and not to ask for reward, save that of knowing that I do your will. Amen.

Dear Friends,

Hi from CCM! So far it has been an amazing year. It has been such a great blessing for us to accompany young people who want to explore, deepen and live their Christian life in such a real way.

We are so grateful for all your gifts that make our mission possible.

A heads up. Our students will be calling you on March 26 and 27th for our annual Spring appeal. It's a great opportunity to talk to them to get a sense of how grateful they feel here. I want to thank you sincerely for considering our cause and for every single gift you give us. Your love and loyalty to our ministry will help us reach out to more young people, in deeper and more exciting ways.

Blessings!

Student Perspective

"CCM has been my home away from home. It has become the place I go to make new friends that will last me a lifetime and allows me to have a place right by campus to come to worship, hang out, and study. Without CCM I would not be the man I am today. The ministry has instilled in me the knowledge of the faith I never had before and the opportunity to grow in my faith and dive deeper into my relationship with Christ. CCM is the single most important building on campus to me. CCM is where my people are and thus part of my family. It is home. CCM is where I can be myself with my friends and grow and have this beautiful place to worship the Lord in. This ministry and the people in it are and will continue to be part of me for the rest of my life."
